

O.L.Q.P. FALCONS

Soccer Club

31st March Weekend Note

Communications

Managers of U8's and above only, please ring Darren on **9609 7043** before **5pm Saturday** with match results. This is important as the scores need to be forwarded to the association. If you do not ring the scores through then your team may get no points and hence their chance of makings finals is slim!

Team reports to be emailed no later than Monday night to: pmelisi@bigpond.net.au

Please keep reports brief but do consider all players when writing the report.

Note Peter is in the process of rebuilding the website, so be a bit patient it is well underway.

Managers – don't forget to print the reports prior to the 13th April for the 14th April Game.

There are no games to be played on the 7th April.

The details will be similar to the clinic mentioned at the web site but the park will change from North Rocks to Daniel St.
