O.L.Q.P. FALCONS

Soccer Club

Message From The President

Dear All OLQP Falcon Parents, Coaches and Managers,

The coach and manager of each team are requested to attend our next committee meeting in the Parish centre at 7:30pm on Monday 4th June.

The meeting will go to approximately 8:30pm and we will hand out photos to the teams present on that night. At this meeting we need to discuss ongoing support for the club functions and how we will attempt to maintain support into the following year. We need to start this process now given that presently the committee is staffed by parents from only two teams in the club. This is not a viable support base for future seasons and the input of broader based support is needed to continue the clubs existence into future years.

The committee meeting dates left this year are: 4th June, 16th July, 13th August, and 3rd September. There is no limit on how many people can attend. Everyone is welcome and there is plenty of seating. If you are available to attend the above meetings (any one of them or all of them) then please come along on the night at 7:30pm.

The committee will soon be organizing the end of year presentation. We need help to make this a success. The committee may be organizing a family social Bingo night. If you can help with this we need your support.

Regards

Match Reports – 26th May 2007

U6O Hurricanes (3) def. St Bernadette's (1)

What a great game! The Hurricane's are back! Winning 3 - 1. In our first half Lucas scored our first goal, and Nicola our goalkeeper made the greatest save of the century. Our second half got better, with all team members showing great improvements especially Justin and Serena. Damien, our hero as always! Adrian scored our last two goals seeing us through to victory. Player of the week goes to Flynnne. Thanks to coaches and parents for their support

U6Q Monkeys (6) def. OLOR/St Angela's (0)

ANOTHER GREAT WIN!!! The Monkeys played an impressive game against OLOR on Saturday defeating them 6 - 0. Our first half saw Katarina score 3 goals followed by a second half with another 2 goals from Katarina and 1 from Goran. This excellent result was the culmination of great work by the entire team especially Jayden and Jarred for setting up many goal opportunities. Great effort by the goalies this week Settimia, Gabriela and Nicholas (although they had nothing to do (Ha Ha)). Player of the match was awarded to Katarina. Keep up the great work Monkeys.

U8 Eagles (0) vs. OLOR/St. Angelas (0)

A very suspenseful game of football played all over the pitch. Way too much time was spent in the goal mouths for the parents from the parent's hearts point of view. Jeremy made an amazing 60m break from sweeper, and was back in position after being tackled in seconds, he was award player of the match. Tony had a blinder in goal making several difficult

saves, and took home an encouragement award for his trouble. Maintaining his excellent record Jack took the other encouragement award after a tireless effort in the midfield attacking and defending.

U9Q Falcons (4) def. St Bernadette's (1)

We Won!!! What an exciting game, the Falcons were on fire today and all there hard work payed off, a well deserved win for our team. The opponents were no match for us this week because we were strong and fierce on the field, all team members give 100% and worked hard and never gave up until the final whistle. The performance of our forwards was just fantastic with all 3 boys scoring Alex 2, Aaron 1, Nicolas 1. The boys had some huge runs to convert these goals well done. There was a lot of team work through midfield thanks to Isabella, Dylan, Zac, Bradley and Dylan they all worked hard with there tackling and clearing the ball great work guys. Joshua, Celine and Ciara played a great game in defence putting all their skills to use to protect the goals you all worked super together. Thomas, our goalie this week a job well done, Thomas always works hard in goal. Bradley scored MOM this week for his great effort on the field, his tackling skills were just fantastic and he was always on the ball, well done Bradley. Encouragement Awards go to Nicolas and Aaron for there great conversion of the goals. Keep up the good work Falcons.

U10P Falcons (1) def. St Angela's (0)

A truly exciting game with many heart stopping moments for both sides. A self-goal by St Angela's put the Falcons in front in the first half. Some good defending and goal keeping by both teams ensured no change in the

final score. The man of the match went to Ashley and encouragement awards were given to Matt and Luca.
Congratulations to the whole team and keep up the great effort.

U10 Hurricanes (1) vs. Newington (1)

Lucky is a word that comes to mind. Newington played really well and we were terrible. We're still undefeated and should have won this game easily against a team who is yet to win a game. But credit to Newington who took the game to us. What happened to the teamwork we all know you can play? Guys you need to remember what positions you are playing. On any attacking raids we make our mid field moves into the forwards and we're getting into each other's way. Then when the ball is cleared we have no mid field players there to get the ball this then puts pressure on the backs. The same is happening in defence where everyone moves back into defence and we have no mid field or forwards.

Maybe two weeks rest will get us out of this form slump.

POM went to Liam and Encouragement award to Ben

U12 Falcons (5) def. St Bernadette's (0)

From the kickoff our boys were on the hunt, calling, passing and most times creating space. This was a different game than last week. Numerous times in the game the boys passed the ball up the sides or middle from the fullback to the mid fielders and on to the forwards. Their passing was meaningful and deliberate. In the second minute of first half Patrick scored, kicking it sweetly over the goalkeeper's head. Several minutes later Jarrod got our second goal kicking it from the edge of the eighteen yard box. This was touched by the goalkeeper, but it too went on over the goalkeeper's head and into the net. Jarrod, Ben and Justin and others had other attempts but were unsuccessful.

In the second half, though at times they bunched up, they still managed to call for the ball, create some exciting play and space, and most of all create opportunities. Several opportunities were made up both sides from passes to the mid fielders. One of those moments, three minutes into the 2nd half, Patrick took the ball up from the left side and to the goalkeeper kicking it calmly over the goalkeeper's head from within the box for his second goal. Other attempts followed from Chris, Connor and Jarrod. Another near goal by Pat as he raced towards the goals with oncoming opposition, but for a diving tackle from the opposition inside the box brought down both players. Sami scored from a rebound off a player. Shortly after Connor scored from a pass across the face of the goal from Patrick.

A really great effort from the guys today. A delight to watch.
Encouragement award Liam and Ben. MOM Patrick
